

CSHCS INFO #5-2015 - Information regarding forms  
Mon 2/23/2015 9:34 AM

Dear Colleagues,

We discovered recently that at least one form has gone to families that does not indicate the current governor and MDCH department director. Please make sure that all forms you use, especially the ones that get printed off electronically, indicate Governor Snyder and MDCH Director Nick Lyon. This is especially true for forms that are given to families.

If the form you are using indicates Governor Snyder but not MDCH Director Nick Lyon, then please check with the source of those forms to see if they have updated the director. Not all forms have undergone the updating process as of yet.

If you have questions or concerns, please contact Karla McCandless at [mccandlessk@michigan.gov](mailto:mccandlessk@michigan.gov) or 517-241-7511. Thanks everybody.
